

SCC Agenda

October 7, 2013

- 1- Introduce new SCC members
- 2- Review last meeting notes
 - a. Next meeting Date December 2nd.
- 3- Science Day –Thursday October 24th- In the morning so lunch is not interrupted. A Professor from the U of U will bring students and show a lot of different chemistry based experiments. Parents are open to parents coming and watching. Trying to adjust the schedule to be more accommodating to the lunch schedule. Teachers would hopeful have science projects they can do back in their classroom with parents after the assembly.
- 4- Training- online to watch by Nov. 15th

www.canyonsdistrict.org//scc

click the modules button to watch. Print and sign the document to let us know that you have watched it.

www.schoollandtrust.org click on school trust, select program, and under the training and supplies video select the “Touch the Future” and “Earning for Education”.

5. Upcoming Events- Safe, Kind, and Responsible- Parent Night Nov. 21st from 6-7p.m.

Keep it to 15 minute presentations with time for translation and questions.

Safe-Parents and students are welcomed to the school to inform the parents about the school procedures. Scheduled hopefully in November. Have parents run through our safety drills and the difference between a shelter in place and lockdown.

Kind- talk about bullying, giving kids and parents tips to help their students with tough situations.

Responsible-Homework folders, attendance policy, ect.

Coming up- Junior Achievement/ Tool Day- Shawn Walker is working on it. Volunteers from the community come from different businesses and teach the students different curriculums.
